

#### Far from hibernating ....

The big green shed has been a hive of activity over the last few months, with maintenance and servicing on everything from engines and tubes to windows and woodwork being undertaken on many of the boats overwintering in the warm and dry. A full valet finishes off the job as a sparkling *Eddington Rose* shows - pristine and ready for action!

We'd be pleased to discuss your requirements and provide you with a quote.

#### Boat of the Month

The **Island 7.5m** is built by hand from new designs by East Cowes based manufacturer **Island RIBs**. A new name in the industry but boasting a highly experienced core team including Technical Director Brian Hallett.

Brian's hull designs are widely regarded as some of the best on the market for their excellent sea-keeping qualities. This latest design not only provides a dry, smooth and comfortable ride, but coupled with the 200hp Suzuki DF200APX engine the package offers impressive performance: A top speed of 45 knots has been reported, as well as excellent fuel economy of 0.9 litres per nautical mile at 30 knots.

Island RIBs designs range from 6.5-10m in length with flexible configurations of consoles, cabins and cuddies. All models are available as petrol outboard or diesel inboard. If you would like a sea trial please contact the team: [info@island-ribs.co.uk](mailto:info@island-ribs.co.uk) or 01983 242727.

For information on the variety of packages on offer from BBS, or to arrange a tour of the facilities, please contact Graham Benton - 01983 872828 ext 5 or email: [office@bembridgeboatstorage.co.uk](mailto:office@bembridgeboatstorage.co.uk)
